COUNCIL

Board Begins Condemnation Action Against Substandard Properties Again

Daly City's board of councilmen, Monday night, May 8, decided to begin condemnation proceedings against the Arthur R. Haskins properties on Mission street, across from Jefferson Union high school. The city attorney, F. E. Hoffmann, was asked to draw up a resolution to present at the next regular meeting. This action was taken when a report was made by Fred A. Collins, deputy health officer, indicating that no improvements in the violations of the health and safety code had been made since previous stays were granted the owner. Condemnation proceedings against the properties were first begun nearly a year ago and were postponed from time to time.

Upon the motion of Councilman B. L. Meritt, Oliver J. Nolte, 325 Knowles avenue; Emery E. Rowley, 19 West Cavour street; Thomas Whalen, 164 Acton street, were appointed to the board of review established by Daly City's Civil Service ordinance. The motion appointing them was unanimously carried.

The board of review functions whenever disputes or problems arise concerning city employees under Civil Service.

Permission was granted Old Glory Post No. 2044, V. F. W., represented by Walter Lehig, to sell poppies on the streets of Daly City, May 26 to 30 to raise funds for disabled veterans.

Tom Tallon, Daly City Boy Scout commissioner, gave a brief talk on the Scout program and urged the council to be present at the May 11 rally at the high school which will concern itself with increasing the worth-while youth program in this community.

A letter from the Jefferson Union high school board of trustees outlined in detail the problem which the school faces when children, other than high school students, use the grounds without adequate supervision. The board pointed out that they have felt the use of the high school grounds

Announce Baseball Games For Sunday

Saturday, May 6, was another "big" day for Daly City youngsters who took part in the program of baseball games and other sports at Marchbank park. Director Charles Norry reports another banner crowd in attendance, and is considering formation of a local league for the Saturday schedules. The Daly City Cubs divided the two games in which they met teams from Holy Angels church, Colma, winning one and losing one.

Sunday morning, at the park, the Daly City Juniors lost a close 2-0 game to the Sixth AAF Radio Squadron, when Ritchie, Juniors' pitcher, allowed the older team only four hits. In the afternoon contest, the Richmond Merchants won from the Simmons company, 6 to 1, in a game that was evenly matched except for one inning.

Norry, who is also manager of the Daly City Juniors, announces the following merchants have given that team support by subscribing the cost of a complete uniform: J. J. Fahey sr., Gilmore's Inn, Lagomarsino and company, Lucca Ravioli, Central Creamery, Pete's Inn, Milo's Market, Hugh Smith jr., Theatre Grill, Philosophy Store, A. L. Stockton Lumber company, Geneva Central Market, Duplex Cleaners, and Ralph's Gilmore Station.

Games to be played, Sunday, May 14, at Marchbank park, will include one between the Daly City Juniors and the Dewey Tigers of Oakland, at 11 a. m., and at 2:30 p. m. the San Francisco Colored Stars, recent winners of the Recreation League, will meet the Owl Drug squad.

Re-Elect Ferguson As District Supt.

James Ferguson was re-elected for a 4-year term as district superintendent and principal by the board of trustees of Jefferson Union high school, at a meeting, Tuesday evening, May 9.

Ferguson has been affiliated with the high school here for the

past 17 years. During this time it has developed into one of the outstanding secondary schools of California.

In scholarship, the local high school ranks among the highest in the larger secondary schools of the state, according to the ratings made by the University of California and Stanford university. The industrial shop work affords students exceptional training which fits them for trades and at the present time serves the war effort.

In national commercial contests, Jefferson students have twice won first place in recent years. The gymnasium and pool and other physical education facilities rank Jefferson among the best equipped schools to be found anywhere. In addition, through its night school program a distinct contribution has been made to the welfare of the community at large.

Principal Ferguson, who resides with his wife at 86 Moltke street, has taken an active interest in all phases of community life. He is a member of the city council's recreation committee.

ELECTION

Daly City Voters Will Go To Polls Twice Next Week For Important Ballot-Casting

Daly City's voters will go to the polls, twice, next week.

Lions Complete Plans For May 17 Ladies Night

Bob Offenbacher, "The Mad Trickster," will be one of the featured attractions at the gala Ladies' Night planned by Daly City-Colma Lions club for Wednesday evening, May 17. Offenbacher, a member of the Society of American Magicians, is expected to provide an entertaining and clever program.

The program is to be held at Colonial Dining room, Junipero Serra boulevard and San Pedro road, beginning at 7 p. m. All members have been working on arrangements for the event. James Schultz, past president, is in charge of ticket sales.

The board of directors of the club met, Wednesday, May 10, to discuss the nomination of officers.

Town Of Colma Councilmen Meet

In its first regular session since reorganizing, the council of the Town of Colma met, Monday, with Mayor Fred Lane presiding. Minutes of two special meetings were read, when the group had canvassed the municipal election returns, and when Lane was chosen from the council to serve as mayor. Councilmen Paul Delucchi, Peter Barsi and Bartley Flynn were returned to their posts by the voters, without opposition.

Appointments to standing committees for the two-year term were announced by the new mayor as follows: finance and municipal affairs, Mattrop Jensen, Delucchi, and Flynn; highway, building and drainage, Flynn, Barsi, and Delucchi; light and water, Delucchi, Jensen, and Barsi; judiciary, police, health and fire protection, Barsi, Jensen, and Delucchi; and inspection and board of health, Officer C. E. Lowe.

Upon motion of Jensen, City Clerk Weisenburger was instructed to write a letter to the proper authorities regarding the condition of the city hall property, now leased for Army use. Feeling that proper maintenance work has been lacking, the council will ask that better care of the property be taken. It was also voted that the Town of Colma will stand the expense of repainting portions of the exterior, necessary for the protection of the building, and for which the town is responsible under the lease.

The purchase of another \$1000 Series G War Savings bond was ordered, from the general fund.

Dismiss Suit Against A. J. Bodien

A suit for \$1,000 against Arthur J. Bodien, Daly City building inspector, was dismissed following a jury trial at South San Francisco, May 2. R. A. Rapsey was the presiding judge.

Prosecuting attorney was Samuel Hamburg; attorney for the defense, Daly City's attorney, F. E. Hoffmann.

Bodien had been charged by Fred Gehring, 241 Blythedale avenue, San Francisco, with false arrest. The dispute arose when Bodien had a warrant for Gehring's arrest issued after the latter had refused to secure a building permit or to build a pair of steps at 161 Miriam street to conform to the city building requirements.

The jury voted 11 to 1 in the decision.

The Pacific Coast Building Officials Conference had expressed great interest in the outcome of the trial which determined whether a city official could be sued for performing his duty.

Tuesday, May 16, the consolidated primary election will be held. Sample ballots and notices of polling places have already been mailed to local residents by County Clerk W. H. Augustus. Balloting will take place between 7 a. m. and 7 p. m.

According to figures released by Frank M. Jordan, secretary of state, San Mateo has 31,242 Democratic and 26,856 Republican registrations for the May 16 election.

The other elections are for one school trustee for the Jefferson Union High School district and one trustee for the Jefferson Elementary district. Both take place, Friday, May 19, and in Daly City and Colma occur at the same places and during the same hours, Jefferson grammar, Woodrow Wilson, and Crocker schools, 6 a. m. to 7 p. m. In the high school district, Rockaway Beach, Sharp Park, Bayshore, and Brisbane also vote.

In the high school trustee contest, Remi Sanders, incumbent, is opposed by Fred Bertetta, 98 Cavour street.

Sanders, who lives at 351 San Diego avenue with his wife and two daughters, has been a resident and home owner in Daly City for 30 years. He has been a member of the Jefferson Union High School Board of Trustees for nine years, during five of which he has served as chairman. He is a World War I veteran, a member of Daly City Post No. 410, American Legion, Daly City Fire department, and Daly City Veteran Firemen's association.

Bertetta, a graduate of Jefferson grammar school, was born and raised in this community. He is married and has two children. He drives a gasoline truck for the J. L. Castor company, distributors of Rio Grande oil. He is now a member of Company No. 6, D. C. F. D., and for 10 years served with the Colma Fire department. He is a member of Colma Vista Grande Aerie No. 1848, F. O. E.

In the selection of a trustee for Jefferson Elementary School district, voters will have a choice between George R. Augustien, incumbent, and Mrs. Hazel Marsh, write-in candidate.

Augustien, pioneer resident, who has served on the board for 21 years, has been chairman for the past 18 years. He resides at 501 Wellington avenue. He has a wife, two daughters, and a son, now on active duty with the U. S. Navy. He was fire commissioner for 12 years, and is a member of Company No. 4, D. C. F. D. and Daly City Veteran Firemen's association. He pointed out that during his term of office the administration building and three new schools had been constructed.

Mrs. Marsh, local housewife and mother, lives at 301 Wellington avenue with her husband and three children. She has been serving as cashier at the high school pool during the evenings and was recently installed as vice-president of Woodrow Wilson P. T. A. for the new term. She is leader of Girl Scout Troop No. 2.

Well, That's How It Goes, Even Holidays!

Fire Chief Andrew P. Chesney was busily preparing to leave Daly City for a month's stay at Guerneville, Monday morning, when a fire alarm was turned in. Despite the fact that his 30-day leave had begun that morning, he dashed off to direct the fire fighting.

Company No. 1 and Company No. 2, D. C. F. D., extinguished a blaze caused when a chimney fire occurred at the residence of A. J. Linden, 467 Niantic street at 9:30 a. m. Damage was confined to the roof.

Chief Chesney, who is building a summer home at Guerneville, is accompanied on his vacation by Mrs. Chesney.

TO OUR READERS

Dear Reader (gentle, we hope):

For those of you who didn't call us up, Thursday, May 11, to find out where your copy of The Record was, we make an announcement. For those who did call, this will serve as a memo from the "fuller-explanation-department."

The Daly City Record, this week, comes to you, Friday morning, rather than Thursday morning. Due to more and more work and less and less help we are unable to print until Thursday morning now, which means that by the time the papers go through the post office it's Friday when you get them.

This change, other than the later mailing date, will make no appreciable alteration in deadlines for either advertising or news.

Those who call us for news reports should still observe the following schedule: P. T. A., club, civic and fraternal organization, servicemen and social items of all kinds, Friday, Saturday or at the latest Monday; last-minute news of all kinds, Tuesday. No news, other than late stories like major fires, or accidents, will be covered on Wednesdays.

Advertising deadline (classified or display) is still Tuesday. Better service can be given if ad plans are discussed with us, Mondays.

After this week (we weren't prepared for this change either or we'd have told you about it last week), the activity calendar will cover Friday through the following Thursday, rather than Thursday through the following Wednesday.

INSTALLATION

Today, May 11, at 1:30 p. m., a joint installation of officers for Jefferson Union High School P. T. A. and Woodrow Wilson P. T. A. was held at the high school. Tea for the many mothers in attendance had been prepared by the home economics classes, while an interesting fashion show was presented by members of the sewing classes.

The executive board of the high school unit met, May 4, at

the home of Mrs. Ida Hanley, 43 Woodrow street, with Mrs. Ann Eason and Mrs. Maizie Boyle as co-hostesses. The group donated cookies to the San Mateo County Blood Bank.

Committee from the high school unit appointed to serve punch at the senior ball includes Mrs. Walter Lehigh, chairman; Mrs. Hanley, Mrs. Julia Peterson, Mrs. Lillian Thomey, and Mrs. Emily Guido.

(EDITORIAL)

Judge McNutt Leader In State's Judiciary

In Superior Judge Maxwell McNutt, San Mateo County has one of the most able judicial figures in the entire State of California. The Advance feels that it is an honor to recommend to the citizens of the county his re-election to the office which he now holds.

Judge McNutt is recognized by legal authorities throughout the state and in the legal circles of our federal courts as a man possessing a legal mind of rare ability. His record of fair and just decisions in Superior Court Department No. 1, at the courthouse in Redwood City, bears volumes of testimony to this fact.

The fact that his re-election is urged in writing by more than 55 leading attorneys-at-law, practicing and residing in San Mateo County, is evidence of the high esteem in which he is held by the men who have worked with him day in and day out through the past 11 years.

Before his election to the judgeship in 1932 Judge McNutt for many years had been an outstanding practicing attorney. His record shows that he successfully handled cases before superior courts, federal courts, state courts and the supreme court. He has appeared professionally before practically every high commission of the state and federal government, including the Railroad Commission, the Corporation Commission and Interstate Commerce Commission.

In 1931 he won the overwhelming support of the people of San Mateo County in his brilliant handling of the famous "Flood case," one of the most colorful and historical cases in the history of the state and a case which attracted nationwide attention.

Judge McNutt, in addition to his private practice, was for several years assistant district attorney of the City of San Francisco.

Judge McNutt has made San Mateo County his home for virtually his entire lifetime. He was born in San Francisco and spent his boyhood on his grandfather's farm near Menlo Park. He is a graduate of the University of California and the old Hastings College of Law in San Francisco.

The judge is an ardent student of the history of San Mateo County and the early history of California, maintaining a large library on this subject at his home in San Mateo.

Not only is Judge McNutt highly capable but his efficient conduct of his court, expediting cases as rapidly as possible, has kept the wheels of justice in San Mateo County turning steadily. He has made possible a court calendar where attorneys may always have cases scheduled at an early date. Such is not the case in other counties in the state.

We believe that this kind of performance of duty will be recognized by the citizens in the re-election of Judge McNutt at the primary election, Tuesday, May 16.

PRIMARY ELECTION

Reports have it that there is considerable apathy toward California's primary election to be held, May 16.

Just how accurate these reports are, we don't know. But we do know that no election is unimportant—certainly not this one. True, there is no competition on the presidential nominating tickets, but there are other nominations that are as vital, such as those for senator.

Besides these, we shall be asked to vote on an amendment permitting the State to tax property owned by the Federal government. Consent by the Federal government is also necessary before such taxes can be levied, but Congress has already approved the taxing of certain Government-owned properties. With Uncle Sam holding approximately 43 per cent of all land in California with an assessed valuation above \$300 million, taxes on such property would go far toward easing the burden now fully saddled on the owners of the other 57 per cent of the land.

Among the privileges our soldiers are fighting to preserve is the right to vote. Let us make use of it.

Eagles To Install Officers, May 18

Thursday evening, May 18, is the date set for the May initiation of new members into Colma Vista Grande Aerie No. 1848, F. O. E. The meeting will start at 8:15 p. m. at Eagles hall, 6274 Mission street.

The social committee, headed by Glenn Wilkes, is planning a special feed for the May event.

New members of the local aerie include R. E. Bennett, Louis P. Warchot, Rich Schrieber, and Stephen Passafiume.

Social Security Board Warns Against Fallacy

Inaccurate advice from well-meaning but inadequately informed friends may be costing some retired workers money in the form of old-age and survivors insurance benefits, Edward J. Foley, manager of the San Mateo office of the Social Security Board, said today, and the same kind of advice also may be keeping benefit checks from widows, children and parents of workers who die.

To counteract this, he advised that every worker who is 65 or over and has been working in insured employment—generally business and industry—should get in touch with the nearest office of the Social Security Board immediately for information, as soon as he quits his job. If he is qualified for benefits, the board will assist him to file a claim. If he needs additional work in covered employment to qualify, he will be told just how much more is needed.

Similarly when a worker dies, if social security taxes have been taken from his pay, the widow or other close relative should contact the board's office immediately. Full assistance in completing claims will be furnished by the field office.

While provision is made for some back payments on delayed

claims, delay may reduce the amount of benefits, or wipe them out entirely in some cases, Foley said.

Native Daughters Entertain Servicemen

Members of El Carmelo Parlor No. 181, N. D. G. W., were hostess to a large group of servicemen at a formal dance and social, Wednesday evening, May 3, at Masonic temple, Daly City.

At the invitation of the parlor a group of junior hostesses graciously attended in order to insure all servicemen of partners for dancing.

To make the boys feel at home, homemade cakes and sandwiches were served at a gaily decorated spring buffet table. An evening of dancing with musical selections offered by the Jefferson Union high school Indians of Rhythm under the direction of Howard Miguel was enjoyed by all. The men publicly expressed their gratitude to the Native Daughters and the high school band and are looking forward to another visit in the near future.

In charge of the affair were members of the committee on National Defense: Mrs. Margaret Steele, chairman; Mrs. Hattie Kelly, Mrs. Lillian Colloty. The group announced that seeing the smiling faces of "Uncle Sam's Best" was compensation enough for their hard work.

Saturday evening, May 6, Mrs. Irene Littlewood and Mrs. Leo Becker served as co-hostesses at a home whist to raise funds for the parlor. El Carmelo parlor has contributed to the Grand Parlor fund to purchase a station wagon for the Red Cross Blood Bank.

Next important date scheduled for El Carmelo is the annual Mothers Night social, to be held, May 17. Mrs. Hattie Kelly is chairman.

Southland Labor Unites On Joint Election Slate

Johnson to Be Candidate In 8th Congress District

1. CIO Announces Johnson's Candidacy in Los Angeles Almost a Week Before He Filed.
2. NOTE: Southland (L. A.) and CIO want Johnson to represent US.

Sworn Testimony Before House Committee on Ways and Means, 76th Congress . . .

ing: will not these corporations have pulled out of the red on that?

Mr. BUCK. I think it is mere theory, so far as I get it. I have just one more question to ask you. You were a candidate for Congress in the 1936 election in California?

Mr. JOHNSON. That is right.

Mr. BUCK. And, of course, you made a good campaign, but you did not succeed?

Mr. JOHNSON. No, sir; I was down there about a year from San Francisco.

Mr. BUCK. You were endorsed at that time by the Townsend organization?

Mr. JOHNSON. Yes, sir.

Mr. BUCK. And you were running on the Townsend program?

Mr. JOHNSON. In the final election; but in the primary they fought me bitterly.

Mr. BUCK. You finally persuaded them, anyway. And you were opposing Representative Thomas F. Ford at that time?

Mr. JOHNSON. Yes, sir; I was.

Mr. BUCK. Representative Ford received 63,635 votes, Mr. Campbell, the Republican, received 25,497 votes and you running on the Progressive ticket, received 12,874 votes. There were some scattering votes as well. I am just wondering how you interpreted that as to the strength of the endorsement of either Dr. Townsend or your own association? It was not very helpful, was it?

Mr. JOHNSON. I might explain it in this way. I was down there from San Francisco a little over a year. And you know how difficult it is for a man coming in from the outside, from San Francisco especially, running for Congress in Los Angeles. I was not known in the district. I was known as the attorney for the labor commissioner to the State generally, but I was not known in that district. I ran merely with the idea that possibly I might be sucked into the national picture. . . . That was my purpose in running for Congress—to get a little publicity on it and get back here. And my strategy succeeded.

Just Where Does Mr. Johnson Belong?

Campaign contributions are being received by Mr. Francis W. Post, 65 Orchard St., Cranston, R. I., treasurer of the Campaign Committee.

1. His campaign edition from which the above is taken, is published in Washington, D. C.
2. The treasurer of his campaign is in Rhode Island.
3. His sworn declaration of candidacy says his residence is in Los Angeles.
4. He is not a registered voter of this district.
5. He CANNOT vote here in this election.

This is the 75th Anniversary
of the Golden Spike

**This is the Golden Spike**

It was donated for the occasion by David Hewes of San Francisco. The spike is now the property of Stanford University and is kept in the vaults of the Wells Fargo Bank.

...but we can't take time out to celebrate

Ordinarily we'd make quite a fuss over such an event as the 75th anniversary of America's first transcontinental railroad—of which Southern Pacific is a part. We'd have a "Diamond Jubilee," with ceremonies, celebrations, banquets and all the trimmings.

But in May, 1944, Southern Pacific people will have little time to honor the men who built the first railroad across America and drove its last spike home on May 10, 1869. We're too busy keeping the war trains rolling on our 15,000 miles of line.

The historic line that rounded the northern end of Great Salt Lake to Promontory, where the Golden Spike was driven, was replaced by the Lucin Cut-off. The old rails have long since been torn up and sent to war.

But if it were possible to send a message back through the corridors of Time, we would send the grateful thanks of a railroad at war to those determined men who conquered the Sierra 75 years ago...

...to Leland Stanford, Mark Hopkins, Charles Crocker and Collis P. Huntington, the "Big Four" who pooled

their slender resources, convinced Congress that California must be linked by rail with the other United States, and pushed the railroad through in spite of heart-breaking obstacles.

...to the thousands of Chinese workmen who helped lift the line over the Sierra Nevada with nothing but wheelbarrows, picks and shovels, and black powder... who hung from the cliffs in baskets and chipped the road-bed out of solid granite. They helped build a railroad that helps China now.

...to the eight indomitable Irishmen who, on April 28, 1869, laid ten miles and 56 feet of track in a single day—a record that has never been equalled.

The railroad they built is now a vital link in America's supply lines for the war against Japan. The railroad men and women who "keep 'em rolling" today salute the men who accomplished so much with so little, 75 years ago.

Julia gives
5 tasty ways
to use bacon

BACON! What a joy to have plenty of it available! And you know, bacon has many fine uses for lunch and dinner, in addition to time-honored "bacon for breakfast." Here are some suggestions which I hope you'll try:

BACON AND VEGETABLE PLATE

1 lb. bacon ¼ cup bacon
6 tomato halves 2 egg whites
1 head cauliflower 1 tbsp. vinegar
Green beans ¼ tsp. paprika
Salt and pepper

Broil bacon until evenly crisped. At the same time place tomatoes in the broiling oven, dot with butter or margarine, and heat. Cook cauliflower and green beans separately in boiling salted water. Make Savory Dressing: Melt bacon drippings, add vinegar and paprika. To serve, arrange cauliflower in center of platter and top with Savory Dressing. Alternate green bean bundles and tomato halves around cauliflower. Border with slices of bacon.

BACON CORNMEAL MUFFINS

1½ cups enriched flour, sifted
¾ cup yellow cornmeal
1 tbsp. baking powder
¾ tsp. salt
2 tbsps. sugar
2 eggs, well beaten
1 cup milk
¼ cup melted bacon fat
6 slices cooked bacon, chopped

Sift and mix all dry ingredients together. Combine beaten eggs, milk and melted bacon fat, add to dry ingredients with chopped cooked bacon, stirring only enough to dampen flour. Fill greased muffin pans two-thirds full and bake in moderately hot oven (425° F.) about 20 minutes. Makes 8 muffins.

LIMA BEAN & BACON CASSEROLE

2 cups lima beans (dry) 1 cup tomatoes
½ large onion ½ cup onion
Salt and pepper 6 slices bacon

Soak lima beans, then simmer until tender. Season with salt, pepper, add tomatoes and finely chopped onion and place in a 2 qt. casserole. Add strips of bacon over the top and bake in moderate oven (350° F.) for 30 minutes. Serves 5 to 6.

BACON-CORN PUDDING

4 strips bacon 1 tbsp. sugar
3 tbsps. bacon fat 1½ cups milk
3 tbsps. enriched flour 2 cups whole kernel corn
1 tsp. salt
½ tsp. white pepper 2 eggs, beaten

Fry bacon crisp, and crumble. Stir flour, salt, white pepper and sugar into bacon fat. Add milk slowly, cooking over low heat until mixture thickens and boils. Stir in corn, beaten eggs and crumbled bacon. Fill 6 greased baking cups, set in pan of hot water and bake in moderate oven (350° F.) 45 minutes. Serves 6.

CAULIFLOWER WITH BACON SAUCE

1 lb. bacon Seasoning
2 cups white sauce 1 head cauliflower

Broil or fry 7 slices of bacon until crisp. Cut in tiny pieces; add to white sauce (combine ¼ cup enriched flour and ¼ cup bacon fat, and add 2 cups milk). Season with salt and pepper and pour over whole cooked head of cauliflower on chop plate. Serve garnished with the additional slices of crisp bacon. Serves 6.

Nutritious Feather Dumplings

By Frances Lee Barton

A rich beef stew with feathery dumplings carries us back to the days when grandmother's dinners filled our young hearts with joy. Making dumplings has become a lost art in far too many homes. Try the recipe below and your home will immediately leave this category:

Feather Dumplings for Beef Stew
1 cup sifted cake flour; 1½ teaspoons double-acting baking powder; ½ teaspoon salt; 6 tablespoons milk; 2 teaspoons melted fat.

Sift flour once, measure, add baking powder and salt, and sift again. Add milk and fat. Then stir quickly and lightly until a very soft dough is formed. Drop by small spoonfuls on simmering stew or fricassée, making sure each dumpling rests on meat or vegetables. (Dumplings should not settle in the liquid. If necessary pour off excess gravy, returning it to stew after the dumplings are cooked.) Cover kettle tightly and cook gently 14 minutes. Do not remove cover while dumplings cook. Makes 6 to 8 dumplings.

Note: For the fat, use a little fat skimmed from stew in making these dumplings. It gives extra good flavor.

this week, is a group of maps, folders, and music on China.

VISITORS

During the last two weeks the following ex-Jeffersonians were seen on the campus: Louis Arata, Army; Ralph Capps, Navy; John Hernon, Army.

SMILE, PLEASE!

Last Wednesday, May 3, the girls fixed their hair just so, and the boys wore ties. The reason? The seniors had their pictures taken.

Orders for personal cards were taken last week.

The great day is set for June 21. (The great day is graduation.)

The annual senior ball will be held in the auditorium, June 2.

PASSED TEST

Bud Fellows, Harry Kent, and Ernie Day received word last week that they had passed the Army test taken at Balboa, March 15. Those who had received word before were: Bob Sinclair, Ted Prescott, Eugene Lowry, and Jack Dyer. Seven out of the eight who took the test passed.

DANCE

Name of the dance on May 12 is the "Ching Ling Swing," in honor of the Chinese new year. Of course, the decorations will be Chinese.

Those helping to put the dance over are the members of the entertainment committee including Bill Fasshauer, chairman; Jack Dyer, Winifred Grant, M. L. Greenfield, Ken Hatt, Eugene Lowry, Pat Marocco, Dot Nelson, Virginia Nestor, Lenore Ross, and Deloris Thomas.

Advisers are: Adolph Hansen, John Harville, Miss Eunice Philbrick, and Mrs. Marjorie Reandeau.

THOSE INDIANS!

Howard Miguel's Indians of Rhythm scored another success playing for a servicemen's dance, Wednesday evening, May 3, sponsored by the Native Daughters of Daly City under the direction of Mrs. Steele. The band was very smooth although somewhat loud at times because of the small hall. The enthusiastic audience included many sailors and marines in

addition to the soldiers of the local camp. Their young lady escorts are members of the local chapter of Native Daughters. The band beat out solid tunes that really had the boys jumping. To give them a chance to catch their breath between numbers the bandsters gave out with sweet numbers featuring the vocalizing of Lillian Altman, Pat Marocco, Allen Petigrew, and Virginia Nestor. Al, who is the newest addition to the vocal department of the band, seems destined to become very popular with his smooth, mellow tenor voice, faintly reminiscent of "The Voice" Sinatra. According to some opinions from feminine circles at Jeff, the resemblance is not too faint—although we've not yet had any reports of faintings.

Many expressions of regret were heard when Leader Howard Miguel announced the last number because it was a week day and the band stopped at 10:45.

COUNCIL

(Continued from Page 1)

and equipment benefited the entire community, for which they were happy, but that they had no funds to provide the extra supervision to adequately protect the school property. The city council was asked to cooperate by providing funds for supervision outside of regular school hours else it would be necessary to withdraw the many privileges now accorded the general public at the high school. Mayor A. J. Gaggero referred the request to the park and recreation committee for study and report.

Councilman Meritt made a motion that Fire Chief Andrew P. Chesney be granted a 30-day leave. It was passed unanimously. Mrs. Jean O'Rourke, librarian, was granted an additional two weeks leave without compensation in addition to her regular two weeks vacation. Councilman Edward Dennis made the motion that the leave be granted.

The Department of Finance at Sacramento sent a form and a suggested resolution for the city's use if it desired to apply to the state for aid in meeting the costs of civilian defense. The city attorney was asked to submit the resolution, after checking it, at the next regular meeting.

Seven city officials, including all of the council, indicated that they would attend the May 18 meeting of the Peninsula Division, League of California Municipalities, at Mountain View. Airports will be discussed at the session.

Councilman Howard McHugh made a report on the library, pointing out that 38 new members were acquired in April and the circulation was 2,526.

Councilman Dennis, as chairman of the streets committee, called attention to the fact that the names of Daly City's streets are now being plainly painted on the curbs.

No decision was made on the recent application of the Daly City Cab company for an exclusive parking stand. Councilman Eugene V. Lynch will give the matter further study in the light of several factors suggested, Monday night.

Councilman Meritt reported that the fire commission is studying ways to retire those men who are now too old for active duty but who have given long years of service to the department. The pension plan is still in a formative stage.

Councilman Lynch, chairman of the police commission, reported progress on his study of a meeting held recently to hear charges leveled by the Five Townships club at the police department. Lynch refused to make any recommendations until he had had time to study a 38-page transcript of testimony turned in by the club, in spite of heated urging for an immediate report from George Kirchhubel. Neither Al Gould nor C. J. Pettigrew, who originally turned in the letter decrying alleged conditions in the police department, were present, Monday night.

Kirchhubel again took the floor to demand that the city publish an annual financial statement, showing actual expenditures and income. Councilman Dennis made a motion that this be done. It was pointed out that under former Mayor John J. Fahey such a statement had been published.

The warrants were read and ordered paid and Councilman Dennis moved that the meeting be adjourned.

City officials present, in addition to all five councilmen, were Clerk B. C. Ross, Attorney F. E. Hoffmann, Deputy Health Officer Fred Collins, Police Chief James G. Reardon, and Building Inspector Arthur Bodien.

Although by no means jam-packed, the council room harbored more of the public than is usually present for public council sessions.

PACK-A-REE

Cub Pack No. 141 reports a good response to the sale of tokens for their Pack-A-Ree, Saturday, May 20, at Marchbank park, second level. A "Cub of the Day" contest is being held in connection with the sale of tokens. Each token sold counts for 5 votes.

Monday, May 8, the contestants had the following standing: George Ritter, 920 votes; John Morrow, 250; Ray Schmitke, 190; George Johnson, 175; Bobby Raine, 170; Gerald Young, 100; James Jonas, 100; Ronald Palm, 60; Jack Cooper, 50; Ronald Hoerner, 30.

Emydian Institute Has Official Visit

Grand Second Vice-President Lorraine Jones paid an official visit to Emydian Institute No. 154, Y. L. I., of Colma, Friday evening, April 28. General chairman for the occasion was Mrs. Michael Ryan. Three new members were initiated, Miss Joyce Veit, Miss Lillian Ciardella, and Miss Florence Jauck.

On the speakers' rostrum at Holy Angels hall, in addition to the guest of honor, were the institute deputy, Katherine Fitzpatrick; the district deputy, Martha Douglas; Reverend Eugene Shea, grand chaplain of the Young Ladies Institute, and Reverend James McElligott.

Grand officers who attended the official visit were Past Grand President Bernice Etcheber, Grand Treasurer Mary McCarthy, and Grand Director Regina Hall.

Plans are completed for a Mothers Night meeting, Friday, May 12. In charge of the event is Mrs. Louie Gianni. Arrangements are also being made for the official visit of the district deputy, Martha Douglas, to be held, Friday, May 26, at Holy Angels hall, Colma. Members are urged to be present for both the May 12 and 26 meetings.

Plans Special Sunday Services

Special services for Mothers Day will be held at Grace Presbyterian church, Hanover street and Evergreen avenue, May 14.

At the 11 o'clock morning worship period, special recognition will be given to the youngest and oldest mothers present. In the evening, there will be a special service at 8 o'clock, having as theme, "The Old Time Hymns." This program will be presented by the young people of the church with readings, musical numbers, and a pantomime, "The Rock of Ages."

Dr. William Harberts, pastor, who will deliver the message at both services, issues an invitation for the public to attend either or both services.

The primary and beginners departments at the church have been enjoying their newly decorated rooms and the new benches which were provided for the fast-growing attendance.

Mrs. William Harberts and Mrs. Charles Kling, the Cradle Roll superintendent, are busy with the nursery department in preparation for the special exercises which are to be held in June.

Mrs. Harberts announces that any children who have no church home may enroll now in Sunday school, which begins promptly at 9:45 a. m. and lasts for one hour.

how NATURAL GAS
helps CONSERVE
Oil for War Use

Pacific Gas and Electric Company is now burning natural gas fuel instead of oil in its steam electric plants—to make available over 10,000,000 barrels of oil a year needed by the armed forces and war industries.

In cooperation with the oil companies, and at the request of the Navy, a large gas transmission pipeline has been converted to the transportation of oil from distant fields to San Francisco Bay. This has speeded the safe delivery of 55,000,000 barrels of oil a year and released a large tanker and escort fleet for other war purposes.

To help meet the needs for conservation of oil in-war busy California, the reserve supply of natural gas has been drawn on very heavily. For example, this year the draft on the Rio Vista dry gas field alone will be 160,000,000,000 cubic feet. This amount is equal to the needs of 200,000 families for 16 years. And every 6000 cubic feet of this gas, when it replaces oil, releases a barrel of petroleum for war use.

Veteran Firemen Hold Regular Meeting

President Ernest Romer called the regular monthly meeting of the Daly City Veteran Firemen's association to order at 8:15 p. m., Friday, May 5, at 188 Santa Barbara avenue.

Pete Bordson, Company No. 4, D. C. F. D., was initiated into the organization. H. H. Smith gave a talk on customs of Old Mexico, which proved very interesting according to the membership. Romer, J. Albonsky, and Al Sundstrom also added a few words on Mexico.

Gus Ford was the "satisfied-grin" comrade for the evening.

At the close of the business session, a nice lunch was served by Chef Remi Sanders.

Next meeting of the association will be held Friday, June 2.
